

SCOTT EARNs A DRAW

Farnborough Town 1, Wycombe Wanderers 1

JOHN Maskell, making his first appearance since injury, lasted just five minutes before being substituted in Tuesday night's friendly away to Farnborough Town.

The veteran goalkeeper, who has been suffering from a trapped nerve, found that he was unable to kick the ball without pain and was replaced by Peter Spittle for the rest of the match.

Manager Andy Williams took advantage of the opportunity to give most of his squad a game against the Isthmian League Division Two leaders on their excellent ground. Indeed Dylan Evans, who is nursing a rib injury, was the only member not used.

Blues took the lead after 25 minutes through Terry Scott, while the home side replied in the 70th minute to earn a draw.

Wycombe went through the 90 minutes without adding to the injury list, but after the match Les Reed badly cut his back while in the bath and had to be admitted to hospital — typical of their luck this season.
